## Aminocyclopyrachlor 5% SL

### 1. Identification

|                   |                           |
|-------------------|---------------------------|
| Product           | Aminocyclopyrachlor 5% SL |
| Category          | Pesticides                |
| Active Ingredient | Aminocyclopyrachlor 5%    |
| Formulation       | SL                        |
| CAS Number        | 858956-08-8               |
| Formula           | C8H9CIN4O2                |
| Grade             | Agricultural Grade        |
| Standard          | FCO / ISO 17025:2017      |

### 2. Description

Aminocyclopyrachlor 5% SL — professional-grade agricultural input.

### 3. Dosage & Application

|             |                          |
|-------------|--------------------------|
| Foliar      | Perennial weed: 0.5 L/ha |
| Application | As per label             |

### 4. Storage & Packaging

|               |                                                     |
|---------------|-----------------------------------------------------|
| Shelf Life    | 2-3 years                                           |
| Storage       | Store 5-40°C                                        |
| Packaging     | Custom available                                    |
| Compatibility | Compatible with most AIs. Jar test before tank mix. |

Follow all label directions.
