Epoxiconazole 12.5% EC Export

## 1. Product Information

|           |                                 |
|-----------|---------------------------------|
| Product   | Epoxiconazole 12.5% EC Export   |
| Grade     | Agricultural Grade              |
| Standard  | ISO 17025:2017                  |
| Batch No. | Per batch — request current COA |
| Mfg Date  | Per batch                       |
| Expiry    | 2-3 years from mfg date         |
| CAS No.   | 106325-08-0                     |

## 2. Test Results

| Parameter             | Specification | Result   | Method                                                                               |
|-----------------------|---------------|----------|--------------------------------------------------------------------------------------|
| Appearance            | As per label  | Conforms | Visual                                                                               |
| Epoxiconazole content | -0.5–0.5%     | 12.6%%   | {'parameter': 'Epoxiconazole', 'spec': '12.5%', 'result': '12.6%', 'method': 'HPLC'} |
| pH                    | 4.0–8.0       | 6.5      | pH meter                                                                             |
| Moisture              | Max. 2.0%     | 0.8%     | Karl Fischer                                                                         |
| Heavy Metals (as Pb)  | Max. 10 ppm   | <5 ppm   | ICP-OES                                                                              |

## 3. Conclusion

RESULT: PASS — APPROVED FOR RELEASE

Epoxiconazole 12.5% EC Export meets specified quality standards — APPROVED FOR RELEASE.
