## Hexythiazox 5% EC

### 1. Identification

|                   |                      |
|-------------------|----------------------|
| Product           | Hexythiazox 5% EC    |
| Category          | Pesticides           |
| Active Ingredient | Hexythiazox 5%       |
| Formulation       | EC Formulation       |
| CAS Number        | 78587-05-0           |
| Formula           | C17H21ClN2O2S        |
| Grade             | Agricultural Grade   |
| Standard          | FCO / ISO 17025:2017 |

### 2. Description

Hexythiazox 5% EC — professional-grade agricultural input.

### 3. Dosage & Application

|             |                                                                     |
|-------------|---------------------------------------------------------------------|
| Foliar      | Foliar: 0.5-1 ml/L                                                  |
| Application | Foliar spray, soil drench, fertigation, seed treatment as per label |

### 4. Storage & Packaging

|               |                                                                              |
|---------------|------------------------------------------------------------------------------|
| Shelf Life    | 2-3 years                                                                    |
| Storage       | Store 5-40°C                                                                 |
| Packaging     | 100ml-5L (liquids) / 100g-25kg (solids) — custom available                   |
| Compatibility | Compatible with most AIs. Jar test before tank mix. Avoid strongly alkaline. |

Follow all label directions. User responsible for compliance.
