## Pethoxamid 60% EC

### 1. Identification

|                   |                      |
|-------------------|----------------------|
| Product           | Pethoxamid 60% EC    |
| Category          | Pesticides           |
| Active Ingredient | Pethoxamid 60%       |
| Formulation       | EC                   |
| CAS Number        | 106700-29-2          |
| Formula           | C16H22ClNO2          |
| Grade             | Agricultural Grade   |
| Standard          | FCO / ISO 17025:2017 |

### 2. Description

Pethoxamid 60% EC — professional-grade agricultural input.

### 3. Dosage & Application

|             |                             |
|-------------|-----------------------------|
| Foliar      | Pre-emergence: 1.2-1.6 L/ha |
| Application | As per label                |

### 4. Storage & Packaging

|               |                                                     |
|---------------|-----------------------------------------------------|
| Shelf Life    | 2-3 years                                           |
| Storage       | Store 5-40°C                                        |
| Packaging     | Custom available                                    |
| Compatibility | Compatible with most AIs. Jar test before tank mix. |

Follow all label directions.
