## Potassium Bicarbonate 99% Agri

### 1. Identification

|                   |                                |
|-------------------|--------------------------------|
| Product           | Potassium Bicarbonate 99% Agri |
| Category          | Specialty Fertilizers          |
| Active Ingredient | K2CO3 equiv                    |
| Formulation       | Powder/Granule/Liquid          |
| CAS Number        | KHCO3                          |
| Formula           | 298-14-6                       |
| Grade             | Agricultural Grade             |
| Standard          | FCO / ISO 17025:2017           |

### 2. Description

Potassium Bicarbonate 99% Agri — professional-grade agricultural input.

### 3. Dosage & Application

|             |                                                                     |
|-------------|---------------------------------------------------------------------|
| Soil        | As per label                                                        |
| Foliar      | As per label                                                        |
| Application | Foliar spray, soil drench, fertigation, seed treatment as per label |

### 4. Storage & Packaging

|               |                                                                              |
|---------------|------------------------------------------------------------------------------|
| Shelf Life    | 2-3 years                                                                    |
| Storage       | Store 5-40°C                                                                 |
| Packaging     | 100ml-5L (liquids) / 100g-25kg (solids) — custom available                   |
| Compatibility | Compatible with most AIs. Jar test before tank mix. Avoid strongly alkaline. |

Follow all label directions. User responsible for compliance.
